

Heritage Open Days 2025

Peter's walk follows a circular route beginning at Centenary field and then going clockwise around the Meadows taking the northern route and returning via the southern route.

From Centenary Field Peter crosses FP596 and goes into Lower Tomletts, then into Lower Seamers. At the end he crosses FP24 and enters Gullett North proceeding to Winter Meadow. Once he reaches Ashtead Woods Road he returns via the southern portion of Winter Meadow into Gullett South. From there he goes into Jack Adams field where FP24 emerges into Preston Grove. From there he goes into Fraudings and back to FP596. He does walk north then along FP596 and looks into Trevona Field. This not strictly part of Ashtead Rye Meadows but is still looked after by the Volunteers and Surrey Wildlife Trust.
